A hilarious farce by Neil Simon

Dear Neighbor,

Please consider supporting your local community theater while at the same time reaching out to thousands of potential local customers!

Needham Community Theatre is very excited to be launching our 52nd season with two crowd-pleasing productions – the Broadway blockbuster *Disney's Beauty and the Beast* in November and the hilarious Neil Simon comedy *Rumors* in Spring 2008. But offering these popular shows at a price affordable to local families is an ever increasing challenge, and *we need your help* to continue producing quality theatre in Needham.

Here's why you should support NCT:

- **Visibility for your company.** Last year over **3,100 people** enjoyed our two major productions, and we expect even larger audiences this season.
- **Providing a cultural experience to generations of families.** In this TV-dominated environment, it is increasingly important that families continue to have access to the arts. In its 52 years of continuous operation, NCT has provided thousands of local families with a high-quality theatrical experience at an affordable price.
- **Supporting a true COMMUNITY theatre.** In addition to casting hundreds of Needham children and adults over the years, **NCT also supports its community through two annual scholarships and its public workshops**, including last season's Dance, Children's and Adult Audition workshops.
- **Okay, we'll throw in free tickets!** Companies or families sponsoring at the \$500 or higher level will also enjoy NCT performances on us. Come see for yourself the high quality theater that is available so close to home!

Sponsorship opportunities exist at a variety of levels. Please see the reverse side for sponsorship options.

Thank you in advance for supporting your local COMMUNITY theatre.

Did you know it costs over \$30,000 to produce an NCT musical?
